Sale Report:

Agents offered 2,200 head at Emerald today, numbers very similar compared to last week. The market on slaughter descriptions was very solid, showing lifts of 3-8c/kg, on the better types, while second rate descriptions were 10c/kg better than last week. While prime stock was fully firm, store descriptions did see some variation throughout the yarding.

Feeder steers eased by 10-30 c/kg, taking into consideration there was not a large quantity available, feeder heifers were up to 15c/kg better on the strength of quality offered, while weaner steers were the flavor of the store sector being 15-30 c/kg dearer on last week.
